WORK EXPERIENCE

Non-Voice Call Center Agent (Data Entry / Logistics Processing)
Cebu City, Cebu
April 2025 – July 2026

- Processed international shipment records for cargo vessels arriving in the United States by accurately entering and verifying container, vessel, and shipment information in the company's database.
- Reviewed shipping documents and logistics records to ensure data accuracy, resolve discrepancies, and comply with client and company requirements.
- Maintained high productivity and accuracy while handling large volumes of shipment data in a fast-paced, non-voice environment, consistently meeting quality standards and turnaround times.
